2. If you do not have insurance or do not present a valid insurance card, you will be responsible for payment at the time of service. We will provide you with a copy of our billing statement so that you can attempt to obtain reimbursement from your insurance company.

3. It is your responsibility to ensure that our physicians are in your insurance network.

4. If your insurance plan requires a referral, it is your responsibility to obtain this prior to being seen by our physicians. If this referral is not obtained and your claim is denied, the unpaid balance will be your financial responsibility.

5. All co-payments are due at the time of visit. Post-dated checks are not accepted.

6. The fee for a returned check is $25.00

7. Once benefits are verified and your financial responsibility is calculated, you will be notified of your payment amount and due date. After you have been notified of the said amount, all balances will be due PRIOR to any further office visits, procedures or surgeries.

8. Payment is due for rendered services 10 days from receipt of your billing statement. Unpaid balances must be paid in full prior to any additional visits unless arrangements have been made with our financial counselor.

9. The billing department will send out statements for any unpaid balances. Each additional statement, after the first one, will be charged a $10 processing fee and that fee will subsequently be added to your current balance.

10. You are ultimately responsible for payment of charges for services you receive from a Podiatry Inc. Physician.

13. Medical record requests must be received in writing and at least 3 business days or 72 hours, whichever is greater, prior to the date needed. No fee will be charged to a patient requesting their medical record for the first time. Any additional requests made after the initial one will be subject to a fee according to State of Ohio law. Fees must be received prior to record delivery. Medical records will be mailed to the authorized address. An official records release form must be signed by the patient prior to release of records.
